To Whom It May Concern:

I would like to take an opportunity to offer a formal recommendation for RMS Public Relations. RMS has been our PR firm for the past year. During that time, they have represented our consumer technology products to the U.S. press and media in a very professional manner. The results that they achieved for us were invaluable to our sales efforts and helped grow recognition for our brand in America.

In just a very short time, RMS was able to achieve powerful coverage in *Chicago Tribune, C/NET Reviews, Digital Trends, Engadget, Everything USB, ExtremeTech, Forbes, FOX Television – Cleveland, FOX News – Boston, G4 Tech TV, Gadget Grrl, Herald News, Hollywood Reporter, IGN, Into Tomorrow Radio with Dave Graveline, Los Angeles Times, Mac News Network, Maximum PC, Network World, New York Times, PC World, Pittsburgh Tribune, USA TODAY, Yahoo Finance* and dozens more.

I would wholeheartedly recommend them for your consideration. They work fast, efficiently and with *impressive results!*

Sincerely,

Ryan Chiu
